

Adding CNN Layers

✓ [16] ##Adding Convolution2D Layer

```
model.add(Convolution2D(32,(3,3),activation="relu",strides=(1,1),input_shape=(64,64,3)))
```

✓ [17] ##Adding MaxPooling2D Layer

```
model.add(MaxPooling2D(pool_size=(2,2)))
```

✓ [18] ##Adding Flatten Layer

```
model.add(Flatten())
```
